

IACOBUCCI HF Electronics Spa TO REPRESENT ITALY IN EUROPE'S MOST COMPETITIVE BUSINESS AWARDS COMPETITION

IACOBUCCI HF Electronics SpA is glad to announce to be selected by The European Business Awards (www.businessawardseurope.com) to represent Italy as a National Finalist in the prestigious 2012/13 Awards programme. IACOBUCCI HF Electronics will participate as one of 30 National Finalists of such premier business platform. The next challenge for the company is now to compete for National Champion status in the next round of the competition. Final category Award winners will be unveiled April 2013.

The European Business Awards has identified some of Europe's brightest businesses based on their ability to demonstrate the three core principles at the heart of the Awards programme. The esteemed panel of judges were looking for organizations to represent Italy who exhibited innovation, business excellence and sustainability.

Lucio Iacobucci, IACOBUCCI HF Electronics Chairman & CEO *"The European Business Awards is widely recognized as the showcase for Europe's most dynamic companies and it's an honour to be recognized as one of these leading organizations. 40 years experience in the commercial and business aviation market, a strategic business vision and an international approach led us to be selected to represent Italy. We are really proud to be part of this prestigious Awards and we are now looking forward to the next round of the competition"*.

The European Business Awards is dedicated to raising the visibility and progress of companies who excel in delivering innovation twinned with successful commercial results whilst acting responsibly and positively affecting the social environment they operate in. The 2011 European Business Awards showcased organizations with a combined turnover of €1 trillion Euros (8.23% of EU GDP including Turkey, Armenia, Georgia and Kazakhstan). These businesses employ over 2.7 million people across the continent.

Adrian Tripp, CEO of the European Business Awards says, *"Over the past six years we've received an incredibly high standard of entries from organizations that are passionate about their business. However, very few get the chance to fly the flag for their country and compete across Europe to be recognized as one of Europe's leading companies. It really is an exceptional accolade to be picked as a National Finalist, and together with our sponsors and supporters we're looking forward to seeing IACOBUCCI HF Electronics in the next round."*

The European Business Awards recognises and rewards excellence, best practice and innovation in companies across the European Union. The competition is free to enter and open to organisations of all sizes and from any industry sector.

The European Business Awards programme serves three purposes for the European business community:

- It provides examples for the business community to aspire to 12.
- It celebrates and endorses individual's and organisation's success
- It provides case studies and content for learning from these exceptional organizations

An innovative, strong and thriving business community makes a successful and prosperous Europe.

The European Business Awards categories are:

The Chairman's Selection

The UKTI Award for Innovation

The International Growth Strategy of the Year Award

About RSM International

RSM International is a worldwide network of independent accounting and consulting firms. RSM International and its member firms are separate and independent legal entities. RSM International does not itself provide accounting or consultancy services. All such services are provided by member firms practicing on their own account. The network's total fee income of US\$3.8 billion places it amongst the top six international accounting organisations worldwide. Member firms are driven by a common vision of providing high quality professional services, both in their domestic markets and in serving the international professional service needs of their client base. RSM International is a member of the Forum of Firms. The objective of the Forum of Firms is to promote consistent and high quality standards of financial and auditing practices worldwide. www.rsmi.com

About Millicom International Cellular S.A.

Millicom provides affordable, widely accessible and readily available prepaid cellular telephony services to more than 30 million customers in 13 emerging markets in Latin America and Africa where the basic telephone service is often inadequate and where economic development and rising personal income levels are creating increasing demand for communication services. Millicom's proven prepaid, mass market distribution and perceived price leadership strategy have enabled it to continue to pursue high growth while delivering operating profitability. Millicom's shares are listed on the on Stockholmsbörsen under the symbol MIC. www.millicom.com
